

## Børn i Ghana på Nana Deborah Safe Heaven Børnehjem siger TAK til Happy Hand for hjælpen

Happy Hands bevilling på kr. 32.000 har gjort det muligt for børnehjemmet at forbedre forholdene for de yngste børn ved at give bidrag til indkøb af møbler, undervisningsmateriale og køkkenudstyr.

De mindste børn vil nu have et bedre område at lege, lære og udvikle sig på uden at blive hæmmet af de større børn.

Børnehjemmets rapport slutter med ordene: ***"Thank you for lending a hand and for putting a smile on the face of a disadvantaged child. THANK YOU!"***

Dansk Børnefond bekræfter hermed, at støtten er anvendt til det givne formål i efteråret 2019, og takker Happy Hands mange frivillige for hjælpen.

Med venlig hilsen

Dansk Børnefond

Dear Sir / Madam,

### Vote of Thanks.

The board of Directors and children of the Nana Deborah's Safe Haven wishes to thank your organization for your generous contribution. Words alone cannot express our appreciation.

Nana Deborah, as she is affectionately known has had a longing to cater for children and most especially the destitute, hence the establishment of the home. She has in the past singlehandedly put in all herself and resources to empower children to become what they themselves would wish to be in their future. A few who have phased out from the home are making strides in the community.

Your generosity towards completing the otherwise snail-paced drinking water, has brought about the fulfilment of a long-st accomplishment, that the project adds to the upbringing of it. The infants will now have a wider unrestricted area to play, older counterparts, while the water project will go a long way the associated water shortages.
